€1770 SUP SUNSET TOUR€

\$ 50

" Introduction to SUPing & paddle tour " along the river estuaries at 1770 enjoying a pretty special sunset (depending on conditions) includes:

"SUPing", Stand Up Paddle Boarding is the newest trend worldwide for a good reason ... It is really easy & quick to learn, great fun, requires no special fitness so everybody from 7 to 90 years old can walk on the water, just like 2005, 1770 SUP offers THE BEST locations to practice this fantastic sport in a safe & pristine flat water ways of the town of 1770 or several levels of wave surfing on the main beach of Agnes Water.

At 1770 SUP we put together a "**1770 sunset tour**" for you to discover the unique experience of watching the sun setting in the ocean which is pretty exceptional considering we are on the queensland east coast !

We do run these tours everyday with a minimum of 4 people (if less we will just let you go on your own as a self guided tour !). The 1770 sunset tour goes for about 2,5 hours on the pristine water & estuaries of the Town of 1770. It does include a introduction lesson so even if you never done that before ... dont worry you will get it super quick !! Depending on the condition we will be able to introduce you to your first wave riding as it is much easier to catch a wave on a SUP board than on a surfboard !!

Experience the natural beauty of 1770 and Agnes Water in Queensland, from a unique perspective in calm- protected waters, stop at the sandbar, have a swimm, play with a frisbee or **chillout** with a drink and take in the stunning views !!
See **stingrays**, fish, occasionally **dolphins & turtles**, birdlife include **sea eagles and pelicans ... even Wallabies along the foreshore** !! And the cherry on the cake is the magnificent **Sunset** over the Bustard Bay.

What to bring: ... sunscreen, swimmers, towel, hat, sun glasses (cheap one !!!), camera (waterproof only !) ... and for sure your **BIGGEST SMILE** !
